

DOWEN COLLEGE LAGOS

RESUMPTION FOR THE EASTER TERM
2020/2012 SESSION

30 December 2020

Dear Parents / Guardians

Compliments of the season!

We hope you are staying safe alongside members of your family.

As you are aware, the Lagos State Government responded to the rising cases of COVID 19 infection by announcing an indefinite closure of schools and also placed some restrictions on places of worship and other spaces among other measures to reduce the fatalities in the state. These measures were put in place for two weeks in the first instance since 18th December 2020. We also understand the Lagos State Government will advise shortly when schools can reopen after due consultation with stake holders. Meanwhile, the Presidential Task Force on COVID 19 had also advised schools nationwide to remain shut from the 18th December 2020 and reopen on 18th January 2021.

HAPPY NEW YEAR TO YOU IN
ADVANCE

While waiting for the advice of the State Government on this issue, we have taken a decision to commence classes online Monday 4th January 2021 for all year groups. Classes will be held via the **Zoom** and **Moodle** platforms. Arrangements have been made to have teachers deliver robust lessons from school. We wish to reassure you that our students will receive adequate and enhanced delivery of lessons and the coverage of schemes of work. Teaching and learning activities will be thorough and prompt feedbacks obtained.

We are working assiduously on the timetable and zoom log in details to accommodate the few changes we made in classroom allocation and membership. Kindly expect the details to be sent to you by the weekend.

Boarders: Hostels are closed due to the restrictions. Therefore, **boarders are not required to physically resume on 3rd January 2021.** We shall advise parents when the restrictions are lifted.

Payment of Fees: All parents are please requested to pay the school fees in full. If any credits are determined in the course of the term, such will be credited to each child's account at the end of the term. All payments should be referenced with the child's name and paid into the designated account.
