

## DOWEN COLLEGE LAGOS NEWSLETTER

30 April 2021

Dear Parents/ Guardians,

We thank you for your cooperation during the just concluded Week 3 of the Summer Term 2020/2021 session.

**The Android App Development Boot Camp** which took off last week was successfully concluded today. We hope the knowledge and skills students acquired would be a launching pad for them to develop in this area. Parents are encouraged to allow their children practice what they have learnt.

**Gender Based Assemblies:** We had our first sets of Gender based assemblies this week. The conversations were stimulating and interesting. We take this opportunity to remind parents of the need to find time to regularly discuss life and some gender based issues with their children.

**Boarding:** We wish to inform our esteemed parents that we have few spaces in our hostels and are in position to accommodate more students who wish to board. We recommend boarding to students in JS3 & SS3 especially during this examination period to enable them focus properly.

We also have spaces for both boys and girls in other classes. Free hostel tutorials take place daily to support the boarders.

If you would like to secure a space for your child, please speak with Mrs. Borisade, the Director of Finance and Administration (DFA) on 07086308951 or send a message.
